Julius Poppe, Anderson C. H.

The fancies of the insane are some-The fancies of the insane are some-times very ridiculous. That of a de-manged soldier out West is in point. He imagines that he has been "pay-ing his addresses to a young lady who reciprocates his passion, and that lately the young lady offering to kiss him, he refused the salute because previous kissing on his and her part had raised lumps on the end of his nose." Don't tell the girfs that kissing is a token of insanity.

Thieves look upon thieving as an art worth deep study, and pride themselves on their dexterity. A woman said, when urged to give it up: "Of course, what you say is right; but I am so clever at it. Every time the stereotyped nostrums of the day. Exyou come near me I can see how to take something, only I wouldn't, of Salve have opened the eyes of the public to

the Hair. CHARLES BATCHELOR.
Oct 25 1y New Yor New York. A NEW AND GRAND EPOCH IN MEDICINE. Dr. Maggiel is the founder of a new medical system! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, wich from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all-healing Salve. These two great specithe inefficiency of the (so-called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite and render the spirits light and buoyant. There is no griping and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Maggiel's Salve. In fact, it is here announced that Maggiel's Billious, Dyspeptic and Diarrhaa Pill's cure where all others fail. While for burns, scalds, chilblains, cuts and all abrasions of the skin Maggiel's Salve is infallible. Sold by J. Maggiel, 11 Pinestreet, New York, and all druggists, at 25 cents per box.
